

Thomas Custom Builders Earns 2018 Angie's List Super Service Award
Award reflects company's consistently high level of customer service

Northern Virginia, January 29, 2019 – Thomas Custom Builders is proud to announce that it has earned the home service industry's coveted Angie's List Super Service Award (SSA). This award honors service professionals who have maintained exceptional service ratings and reviews on Angie's List in 2018.

"Service pros that receive our Angie's List Super Service Award represent the best in our network, who are consistently making great customer service their mission," said Angie's List Founder Angie Hicks. "These pros have provided exceptional service to our members and absolutely deserve recognition for the exemplary customer service they exhibited in the past year."

Angie's List Super Service Award 2018 winners have met strict eligibility requirements, which include maintaining an "A" rating in overall grade, recent grade and review period grade. The SSA winners must be in good standing with Angie's List and undergo additional screening.

"We are honored to have received the Angie's List Super Service Award once again. We very much appreciate our clients' glowing reviews and their referrals to family, friends and colleagues," said Rick Thomas, owner of Thomas Custom Builders. "As an industry leader, we pride ourselves on staying true to our motto of 'No Compromise' by always providing the highest level of customer service and workmanship. We appreciate being recognized for these standards."

Thomas Custom Builders has been listed on Angie's List since 2010. This is the 7th year in a row Thomas Custom Builders has received this honor.

Service company ratings are updated continually on Angie's List as new, verified consumer reviews are submitted. Companies are graded on an A through F scale in multiple fields ranging from price to professionalism to punctuality.

For over two decades Angie's List has been a trusted name for connecting consumers to top-rated service professionals. Angie's List provides unique tools and support designed to improve the local service experience for both consumers and service professionals.

###
